## **If you find yourself asking these questions...**

"Why is my search firm not moving faster to fill my position?"

"Why am I paying such huge fees for minimal service?"

"Why do I have to interview so many "wrong" candidates to find the "right" fit?"

## **It is time to call DMP Executive Search!**

After 20+ years in the search business, we know that finding successful candidates goes beyond the job description. We work hard to understand your business culture, personality, and environment so we can identify candidates that will not only succeed, but thrive.

.....

*"Marie manages the entire process with a high sense of urgency, professional attitude and organization. Marie's service equals the definition of "high touch" throughout the engagement." Her network is large and she has the ability to tap into the candidates you want. When looking for personalized support in managing the search process, DMP Executive Search will serve your needs."*
